Valuables / Responsible Driver Form

Huntsville Endoscopy Center is not responsible for any valuables that are brought into the department. We request that you leave all valuables at home. If this is not possible, they should be left with the patient's responsible adult. If items cannot be left with your driver let the admitting nurse know. Glasses and dentures may remain with patient throughout stay at Huntsville Endoscopy Center. You are required to remove jewelry. If something is not removable, tell the nurse when you are admitted. Please bring only necessary items into the department. We have space for wheelchairs, walker, canes, etc.

I understand the above statement.

In your best interest, we ask that you responsible driver remain on the premises during you stay. If you are sedated, you will not be able to operate any machinery, drive a vehicle, or return to work today.

We also prefer to discuss the results of your test today in recovery with the person you have designated to receive this information. Please complete this permission form so we can do this, otherwise, check the area that indicates results are to be given only to you.

- I give Huntsville Endoscopy Center staff and my physician permission to give results of my procedure today, and any other prior test results pertaining to my visit today, and any follow-up plans with the following person(s):**
